

## Create a database in cloudant DB

Team ID	PNT2022TMID08717
Project Name	Smart waste management system for metropolitan cities

Step 1: login into IBM CLOUD account

Step2: On the top left corner click on RESOURCE LIST

Step 3: Search for Database option then click on drop down arrow

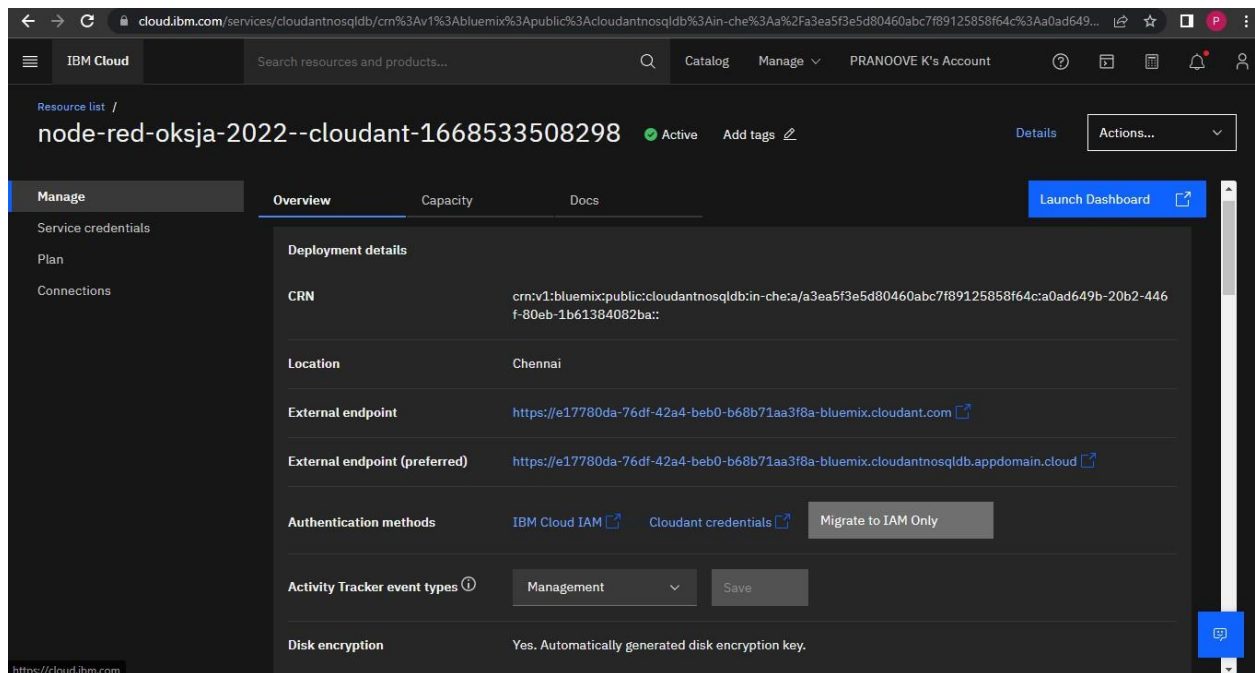

Step 4: Then click on cloudant account available

Step 5: Now, cloudant window appears then click on launch dashboard on right corner

Step 6: click on create database on right corner then provide the name for database and check the –non partitioned - recommended for most workloads>option then click on create

Step 7: Finally, cloudant DB was successfully created.

## Screenshots of cloudant account:
